## **GEEF Reaches “FORE” the Stars with 2nd Annual Golf Outing**

On April 25th, 2017 Oak Contracting, LLC will host the 2nd Annual “Reach Fore the Stars” Golf Outing to benefit Greater Excellence in Education Foundation (GEEF). The foundation was created in 2004 to support the Harford County Public School System by equipping teachers and students with the tools and resources they need to succeed, with an emphasis on those in the most need of support.

“The tournament was established to offer golfers and sponsors a great opportunity to invest in our Harford County educators and students, while having a great time networking and enjoying time on the green,” says Warren Hamilton, GEEF Board Chair and Director of Business Development at Oak Contracting, LLC.

The tournament is to take place at Mountain Branch Golf Club and will offer contests and cash prizes, including Closest to the Pin and Longest Drive. Attendees will enjoy an open bar and a complimentary breakfast and lunch at the Golf Club. No foursome? No problem, individual golfers are welcome. To RSVP or to get more information on sponsorship opportunities, please contact Kristy at [kgjordano@oakcontracting.com](mailto:kgjordano@oakcontracting.com). Sponsorships must be submitted by April 14, 2017. To learn more about GEEF, visit <http://www.geefinc.com/>.

###

*About GEEF:* Greater Excellence in Education Foundation (GEEF) invests in the education of 38,000 youth in Harford County Public Schools by providing programs and resources to complement the learning and growth of each student regardless of their economic circumstances. GEEF works in partnership with the community to bring critical resources to help students succeed in their academic and personal goals through middle and high school leadership programs, college and career mentoring, scholarships, free school supplies for low income students, grants to support innovative classroom instruction and celebrating the education profession with the community.
