

TOOLS for SCHOOLS

Breakfast Gala

my schools ... my impact

Dear Community Partner,

Harford County Education Foundation (*formerly known as Greater Excellence in Education Foundation*) is pleased to invite you to our 1st Annual Tools for Schools Breakfast Gala to be held on Wednesday, September 27th, 2017 at the Maryland Golf & Country Club from 7:30-10:00am. With an emphasis on vulnerable youth, the proceeds will benefit the students of Harford County Public Schools.

The Breakfast Gala will celebrate the impact of our community partners in our schools, while for the first time honoring a special selection of nominated educators for their outstanding service and commitment to education. This year will mark an important milestone for our Tools for Schools Resource Center and Stuff the Bus Campaign, as we are on track to have put more than \$100,000 dollars-worth of schools supplies into wanting hands.

As one of our community partners, you are well aware that Tools for Schools encompasses much more than school supplies, but an array of programs that our education foundation provides in support of local education such as Books in Hand, TECH Tools, Classroom Innovation Grants and Scholarships. With your presence and support, we are looking forward to growing the foundation to be an even greater change agent for young people in Harford County.

We invite you to review the attached sponsorship information and encourage you to join us for an enjoyable morning that showcases outstanding leaders in Harford County education, while calling upon our community partners to celebrate and strengthen our impact. Youth Sponsorships will be available in advance or by live auction during the event.

For more information about the Education Foundation programs or to purchase event tickets, please visit our website at www.harfordeducation.org or contact Ashira at 610-710-1966.

With warm regards,
