

CLASSROOM INNOVATION GRANT RECIPIENT 2018-2019

STORY TRAIL

Edgewood Middle School

Principal: Melissa Williams
Grant Liaison: Ellen Montoya

The story trail is a series of structures each containing one page a story book. As hikers walk the trail they read the pages in the book. And support the love of books, and physical activity.

- Create a space that encourages the love of reading
- Work on a project that directly impacts the community
- Students plan a project from start to finish and learn wood working skills
