

Mission

Harford County Education Foundation invests in the success of students by removing barriers to learning and empowering every child with the opportunity to achieve academic and personal success.

Values

Educational Empowerment for Students: Provide access to essential tools and resources for student success.

Celebrating and Elevating Educators: Recognize and facilitate the success of teachers for their significant impact on students.

Community Stewards: Be trusted leaders who invest in relationships to support education for our community.

Impactful Service: Maximize the potential of students and educators through meaningful philanthropy.

“

I am constantly impressed by your support for the school district, and its students, staff and families. Thank you for being a difference maker for so many - in so many different ways!
